

The New Year's party par excellence is back on January 1, 2010
Presale of tickets will start on November 7
for the 4th edition of Resolution at the Bell Centre

Montreal, Novembre 2, 2009 – Here we go! The time is already here to put our best foot forward for New Year's. And the number-one priority for anyone wanting to avoid false steps in 2010: reserving a place for the **4th edition** of the **Resolution** event, which starts the evening of **Friday, January 1** (and not the 31st!) at the **Bell Centre**. Don't pass up the chance to get your hands on **tickets at a reduced price** offered on **presale beginning Saturday, November 7 at noon**, available **exclusively on the Web** at **GEG.CA**, **resolutionnye.com** and at certain **specialty sales points**. On that occasion, the **first 250 tickets** will be offered at a special price of **\$65** (taxes included + service charges = \$71) each. In keeping with the usual formula, the price of tickets **will rise gradually** as the quantity allotted to each price phase sells out.

It will also be possible to purchase one of **400 VIP passes** by adding **\$35** to the price of a regular ticket. Note that the VIP ticket **must be combined with a regular ticket for admission to the event**; it provides access to VIP spaces, checkroom and toilets, as well as entitling the holder to **priority admission**.

From **January 1 at 9:00 p.m. until noon** on January 2, Resolution will be offering **15 hours of partying** to the sounds of a **selection of top-rank artists** – the **complete list will be announced shortly**. The equation is simple: a combination of the **finest international House and Trance DJs**, **dazzling sound and lighting** equipment, over **7,000 people** on a **giant dancefloor**, an intense and sexy atmosphere: Resolution transforms the Bell Centre into a gigantic after-hours club for what will be the **biggest New Year's celebration party**. A don't-miss event for starting the new year on the right foot, the one that can't stay still and loves to dance.
