Tickets on presale: Tiësto is back in Montreal to celebrate the New Year

Montreal, October 22, 2008 – **New Year's** celebrations in Montreal will be carrying on a little longer when none other than **Tiësto** headlines the **third edition** of the **Resolution** event, which **exceptionally will be held on January 1** at the **Bell Centre**. To avoid confusion, the co-presenters, **Track Live** and **White Party Week**, wish to point out that **the event will start the evening of January 1 and not December 31** (New Years' Eve), as has been the case in years past.

Presale of tickets will begin **at noon on Thursday, October 23** over the **Wantickets** network (Web only) and on **Saturday, October 25** over the **Bell Centre** network (Web and telephone only), at the **Design Hâpy** boutique and through promoters in various urban centers in Québec. The **first 500 tickets** at reduced prices (\$80) will be divided up into two equal quantities of 250 units, one going to Wantickets and the second to all the other resellers together. Those interested in acquiring tickets are invited **not to delay**, since the 1st edition of **Resolution** with Tiësto **sold out** very quickly, in **just a few days**.

Back with us after lighting up the Bell Centre in January 2007, Dutch megastar Tiësto will be winding up his **In Search of Sunrise North American Summer Tour 08** with a set where underground rhythms mix with his classics to get the city dancing. The **No. 1 DJ on the planet** will be backed for the occasion by a selection of well-known names on the Montreal scene; these will be announced shortly. As the young tradition of the event has already established, **Resolution 09** promises to be the **biggest party celebrating the New Year**, with more than **6,500 people** congregating to enjoy it at the Bell Centre, transformed for the event into an immense club. The effect is bound to be striking when the entranced crowd welcomes Tiësto in an atmosphere heightened by **sound and lighting equipment at the cutting edge of technology** from a tour of unprecedented scale.

600 VIP tickets will also be available at a price of **\$30** each, divided up as follows: Thursday, October 23 – Wantickets (200); Saturday, October 25 – boutique and promoters (200) and the Bell Centre (200). Note that the VIP ticket **must be combined with a regular ticket for admission to the event**; it provides access to VIP spaces, checkroom and toilets, and entitles the holder to **priority admission**.
